## Terms and Conditions of Entry

### Participation:

Entries in the competition must combine at least two of the following decorating techniques: embroidery, print (screen print, transfer and digital), flocking, rhinestones and laser branding. Use textiles such as a shirt or dress, sweater, caps, ties, bags, flags, etc.

Each participant may submit up to three individual entries for the Golden Shirt Award. The competition is open to all textile decorators, designers, textile pupils and students and other interested parties in the textile community.

If making a team or company entry, only one person may act as representative. All correspondence will be dealt with this person.

When the competition and exhibition has finished all entries will be returned to the participants free of cost.

The organisers of the competition have the right to use and publicize the submitted items for purposes of publication - without additional agreement from the participants and without reward.

The competition will be accompanied by editorial features in the TVP magazine.

Entries will be handled with all due care and attention. However, the organisers will accept no responsibility for loss or damage. Please don't submit any loose trimmings and small parts.

For each entry please submit a separate entry form, completed in full.

### Jury:

An expert panel of around 15 judges, consisting of the members of the TV trade fair advisory board, will select the winners of the Golden Shirt Award. The assessment criteria are technical and creative implementation, paying attention to the topic as well as the innovative aspect. The winners will be notified in writing before the trade fair.

The winner of the Audience Award will be determined by the visitors of the international trade fair TV TecStyle Visions 2016 and announced after the show in the special interest magazine TVP.

The decisions on the awards are final.

### Presentation and award ceremony:

The submissions will be showcased in a special show at the TV TecStyle Visions 2016 trade fair in Stuttgart from 4 to 6 February 2016. The exhibition will be accompanied by descriptions of the entries. The organiser reserves the right to preselect the exhibits. The award ceremony of the Golden Shirt Award will take place at the TV trade fair. All contestants will receive two free tickets to the trade fair.

The audience award will be donated after the show.

### Registration and submission deadline:

30 September 2015. Contributions received after that date won't be considered in the selection.
